### **Clinical Nutrition Aims and Scope**

*Clinical Nutrition*, the official journal of ESPEN, The European Society for Clinical Nutrition and Metabolism, is an international journal providing scientific information on nutritional and metabolic care and the relationship between nutrition and disease both in the setting of basic science and clinical practice. Published bi-monthly, each issue combines original articles and reviews providing an invaluable reference for any specialist

Being the journal of ESPEN with members from various interests, either focused on basic research or clinical disciplines, the journal reflects the scientific nature of this multidisciplinary background and encourages the coordination of investigation and research from these disciplines. The journal publishes high quality papers like guidelines, consensus statements, review papers, original articles, short communications, and letters to the
